FIGHTERS

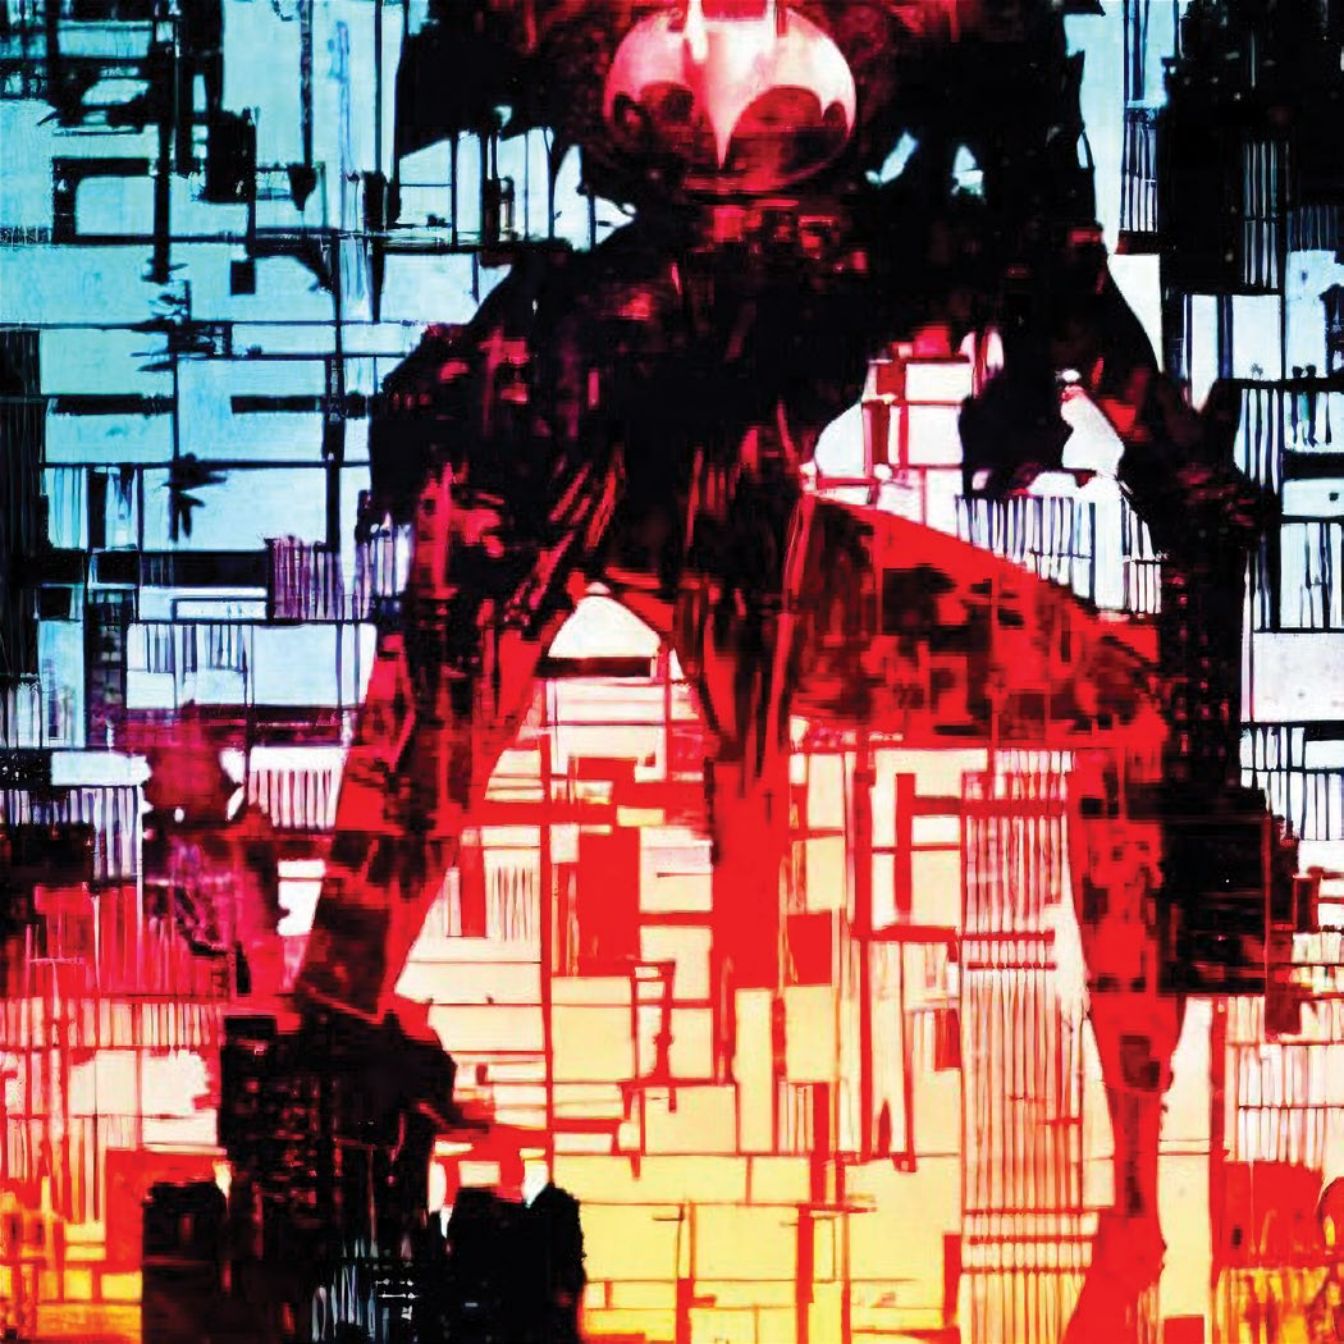

TRAVELS IN DREAMS

PAUL DOMZAL

©2023 paul domzal

**kkraaazy krushhh, scrambled
shreds of images – a forgotten
language dissolving in entropic
dust, bluish holograms quiver
randomly in electrostatic charge
like fragments of virtual thoughts,
fading memories of an illusory self
– nostalgic for the certainty of
discrete bits or at the very least a
probability of quantum states –
floating in the unknown darkness
of cold magnetic fields indifferent
to what was is dies or becomes**
